

LETTER & LOGO ORDERING GUIDE

Thank you for checking us out! Please review the following information and include with your request. You can send a request via the contact icon on our main page.

- 1** Are you looking to create something based off of a pre-existing design? If so, please attach a copy of your design so we can review. If not, do you have a particular font in mind you would like to use? If you do not have one selected please go to fonts.google.com to try some out. If you happen to have a vector version of your logo (.ai, .eps, or .svg), please email to rpeters@rileyandlogan.com
- 2** Is this going to be an interior or exterior application?
- 3** What is the length and height of your available wall space?
- 4** What material is your wall surface? For anything other than smooth drywall, or if the texture level of your drywall is in doubt, please send a close-up photo of your wall (6-10 inches away) so we can determine the proper mounting method.
- 5** If available, please include an image of your entire wall so we can determine if the design will work with the space.

Every purchase includes a mounting pattern, any applicable adhesives, and detailed mounting instructions for a turn-key installation.
